

Cornell University

Welcome to Western Washington!

Looking to get re-acquainted with old classmates or connect with other Cornell alumni for business networking, volunteering or fun? Let us help with this guide! Our events include visiting professor lectures, Cornell team sports-watching parties, family events and happy hours.

Stay Connected & Network in the Seattle and Western Washington Area

First things first -- Join the Cornell Club of Western Washington!

Let's get connected. Fill out the web-based membership form at <http://cornellclubww.org/membershipsignup.aspx> to be added to the email list and start receiving event information. Membership is FREE and open to all Cornell alums, students and parents.

Now check out the other resources available to you:

Check out the Club web site

A list of coming events and a calendar listing same, Cornell-related newsfeeds, photos from past events, and a page of useful links to CCWW, alumni, and Cornell-related content can be found at the [Cornell Club of Western Washington \(CCWW\) web site](#).

Update your information

Update your contact information with the University so you can keep in touch with all things Cornell by going to <http://cornellconnect.cornell.edu>. (Links to the same can be found on the CCWW web.)

Cornell email forwarding

Use your @cornell.edu email address and have it forwarded to your current ISP.

Email forwarding can be set up at www.alumni.cornell.edu/email/.

The Cornell Alumni Directory

Use CornellConnect and your NetID to access the online directory. You can search the directory for alumni based on class year, city, work information and more. Visit <http://cornellconnect.cornell.edu>. Directory questions? Call 607-254-2288.
